Go ahead and get creative with where you place them to create an inviting space that reflects you!World War Z and Movies – Do They Co-Exist? This comic was supposed to be posted last night, but it was too late, and this morning we were getting ready for work and school. But now, it's time to get back to work again. So now that the zombie apocalypse has ended, does that mean that the world hasn't really ended? Is it just a different world that has risen up to take its place? That thought, I dunno, it makes me really sad because now I feel like I need to go home. While I'm really sad about the world ending, I'm also kind of pleased that the zombie apocalypse was over. It's like a lot of problems in the world had already been solved. I felt like, this is a good thing. I would have to think about that on a more personal level, but I'm not going to, because I'm a dork. So, instead I'm going to talk about the movies that I've seen so far. Well, it's been a few years since I've been to the movies, so I got a nice "Did I mention I haven't been to the movies in a while?" challenge. The horror genre has been having a resurgence of late. Let's see what
