which players use the PlayStation Eye camera to explore the game's 3D environment. The game features a fashion and beauty system. Each of the different outfits for characters, Barbie, Ken, and Ken's girlfriend, is based on a real-life Barbie doll and includes unique accessories. The dress is an extension of Barbie's head and torso, which allows players to change the hair, skin and clothing to match an outfit. The game includes a trivia game called "What's My Line?", which allows players to either take control of the quizmaster or compete against another player. It also includes a "Challenge Mode", a mini-game that allows players to "Face the Glass" for points. The game features girls named Piper, Charlene, Greta, and Angelica, each of which has a unique personality which affects the atmosphere of the game and how the other characters react to them. Barbie: Explorer is an interactive storytelling game for the PlayStation 2, the PlayStation 3, and the PlayStation Portable. The game is featured in the International play. A Fish Story Barbie: Chibi Jungle Video games Globobuster (1996) for the PC, as a one-shot game designed by Tim Waggoner (PRG) and Con Oliveras (NewKidOnTheBlock/Papyrus); it is also available in an English language release for the TurboDuo (an upgraded version of the Atari Jaguar with a built-in NTSC TV tuner card) on CD as barbie\_globobuster. Barbie: Beauty and the Beach (1999) for the PlayStation and PlayStation 2, developed by Microscopic Entertainment, Inc. and The Good Guys, Inc. It is based on the television series of the same name.
