Have you ever had the experience of not knowing what to say during a meeting? How about when you find yourself in a conversation with a person who's unaware of the things that you know to be true? Do you have someone who really needs help but it's just unclear how to get the person in your life to even acknowledge that they have a problem? You see when you're having trouble communicating with someone or you don't know how to say what you need to say, you end up with feelings of anger, frustration, confusion and more! When the person we're talking to is acting weird, it's easy to come to the conclusion that we're dealing with an ill, disturbed or crazy person, but we don't think about other causes for their odd behavior. Now you may be thinking that someone could be out to harm them or their family, but that person may not even know it themselves! So the question is how do you know for sure? To find out how you can know what's going on with someone, I'd like to introduce you to a person named Dr. Rangan Murthy. Rangan Murthy is a psychologist and a mind reader. He knows the people that he talks to and he knows how they're thinking, and more importantly he knows how to "read minds". You see Rangan Murthy is able to give you a reading of what's going on inside your head and he's also been able to tell you what people are thinking in your past. So when he read your mind, he said this. "Patrick, I'm seeing someone who is afraid of someone he needs to care for." The man he
