Features Key:

Elden Ring's Starring Cast

- Erik - the main character
 - Elena - a girl of noble blood
 - Wyld - His eminence as an "Elden Lord"
 - Brydrg - the one that is leading him to the throne
- Punishing Difficulty -- The Theme of Suffering In Elden Ring, the world of Aars appeared through the destruction of the afterlife and the Elden Lard. But, in reality, there is no one who can rest easy. While you seem like a lord in your capital city, there is no guarantee that you will reap the fruits of your labor.
- Creating your Own Legends All of the characters in the story leave a vivid path throughout history, differing only in their lines and points of view.
- A Dynamic Online Play In the online game mode of Elden Ring, asynchronous play allows you to play with other people from all over the world. Depending on the equipment you

have, you will be able to act in accordance with your role, but we believe that a person can extract the most of themselves in a role that they desire.

Key features:

- What a Fantasy Action RPG Can Be A single-player adventure RPG game Immerse yourself in the fantasy world of Elden Ring Live the fantasy world of Elden Ring A sandbox RPG that lets you experience a story, not a chase after items Unbinding of Magic How did you master all your skills and which does not exist? Every time you play, the vast world and gameplay become a journey together. Create the Fantasy World You will set out on a road to become a lord of your own
