will helpÂ .Having an affinity for grown-up literature,
Tom Luddy decided to turn his love of books into a
career. He is the founder of Sigil Press, an
independent publishing house based in San
Francisco, where he works with writers on their craft
in order to make their stories a better read. His debut
title, A Million Blind Spots, was named an Indie Next
List Recommended Read and earned an Indie
Excellence Award. Tom Luddy "I'm one of those rare
people who has enough faith in a work of fiction to
believe that it will do the work it is supposed to do,
and more -- to the extent it can be made to do this, it
will open minds and transform people, if it has not
already done so. I believe that this is its function.
There are a million ways to deal with a text, or a
person, or an experience, but what makes a work of
fiction work is the truth of this attempt and the
evidence that the artist or writer has carried it

through to its best possible realization. This is what opens minds." —Tom Luddy Editorial Director, Sigil Press

SALON: Did you always know you wanted to be an editor, or did that evolve over time? THOMAS LUDDY: I guess it has always been there, in that I have a certain interest in writing and books, and fiction, and I am one of those
