Lenovo OKR8 One Key Recovery 8 Engineer ISO.Comments Comment by BoogerTron This is a big quality of life improvement. Instead of having to go to your garage to get the ingredients for glyphs, you can

---

now pull them straight from the Earthen Ring. Comment by bborger Yes, and you can now make Farming glyphs (other than glyph of earth). Comment by mokgoc i know this was posted like 5 years ago but i have an even newer version of this addon and am still using it. it's better than ever, you can now access 6 glyphs on every level. as if the dailies don't give enough help, once u check this addon u will never have to worry about mana issues in sha of maguza or other similar trash dungeons. it's also very easy to get to your blood mage alchemist or blood mage glyphs. you no longer have to find them, use the bar to add them. And since you get so much space, you no longer have to keep unglyphed tekkies in your inventory while you do dailies. oh, i forgot to mention. you can still use the old formula that lets you make glyphs by making librams. Comment by vortacle Why not make it like Argent's glyph stealing to the banks? Say you could pull glyphs from a bank and create glyphs for them. Maybe I
