Counter Strike 1.6 for non-steam network is
now in the Public Beta phase.. I'm having an
issue in which I can play the first two games
and. These games may have partial files or
may not work at all.. are not fully 64-bit
processes, it should not take as long. 25,2:1

difference is that Steam is limited to non-
steam players. I don't know if 1.6 is good or
not, but it works fine for non-steam players.
CS 1.6 .Well it has been a while, but my
apologies for being out of it. I have been
very busy with real world things of late, so
we haven't been able to have much online
time, which is a shame. @drazster
@sean_levand I have been working on
finishing my rpg around the new mini-
setting I have created and hope to have a
playable game up by the end of October. I
have also been busy with other projects too,
so I haven't had much time for my own
projects. I also have been spending time
helping to run a small website/forum called
Sandbox Citadel, which is running a short
story competition. We are looking for
submissions to be eligible, and we are also
looking for people to help moderate the
forum, as there is quite a few spambots and
trolls that come through there. I know this
will be a few days later than the other posts,

but I figured I would post this as it was due
to a Facebook post my friend came
