In the final days of Lara Croft's iconic career, the Tomb Raider will be reborn - and you are invited to be Lara's trusted teammate on her harrowing journey into the dark heart of the earth. Experience visceral, action-packed gameplay while you explore and unravel the mysteries of the island in this intense and original reboot of the Tomb Raider franchise, written by the award-winning author of the Icebound trilogy, Corinne Duyvis. The world has changed, the enemy has evolved. With the future of her island and the very life of the world at stake, Lara must forge new alliances, develop unexpected talents, and ultimately embrace her destiny. Travel the world, open-world gameplay, solve complex puzzles, and discover your true calling in this explosive rebirth of the Tomb Raider franchise. Key Features: Explore the world. For the first time ever, Lara Croft sets out on her own and discovers a sprawling island, full of secrets and dangers. Combat. Lara has a variety of weapons at her disposal including a bow, a machete, throwing knives, a

boomerang, and other everyday tools. Fight the world's deadliest wildlife, and the elements, and solve puzzles to uncover ancient mysteries. Deeper Roleplay. The main story will include Lara's odyssey, and the events that inspired her to become the Tomb Raider she is today. Multiplayer. Play cooperatively with your friends online in the fully-realized multiplayer mode. Cloud Save Technology. The game utilizes the Nintendo Switch Online service allowing players to take their save data with them to their system of choice. Updates. New features and improvements will be added based on fan feedback. I recently got the chance to briefly (had only a few days to spare) go hands-on with The Final Hours of Tomb Raider. I was really excited to see how the game has grown in its final hours. At E3 2017, I had the opportunity to see more of the game in the "office" area. I've only briefly touched on the gameplay, let's take a closer look. The thing I like most about the Final Hours of Tomb Raider is that it feels more like a reboot than a sequel or a remake. It's been said that the

game feels like one big journey instead of many smaller ones. The location of the game is now known: a lush island paradise, just a short drive from the

Features Key:

- Epic Single Player Campaign with beautiful cinematics and spectacular action sequences inspired by the original game.
- Puzzles, skills, weapons and abilities to test your wits and your reflexes and lead Lara Croft into the ancient mystery of the Lost City of Gold.
- Action packed multiplayer against other players in breathtaking first-person action.
- Most locations, animations and models reused from the original game, with the scale and detail on a par with current generation video game.
- Immersive and interesting storyline, making Tomb Raider a true classic.
- Highly detailed and realistic graphics.

Gameplay

1. New Lara Croft gameplay has moved away from her inventiveness to concentrate on tombs, blades and traps.
2. All the areas of the game will feel familiar, but there will be new things for you to explore, including single-player and co-op campaigns.
3. Immerse yourself again in the exhilarating of a Tomb Raider adventure.
