However, the anti-bot system can occur unexpected behaviors during research and change it within a variety of circumstances. Thus, we have developed additional measures to prevent incorrect bot detection.

(PTI) The AAP government on Sunday demanded Trinamool Congress state unit chief Mamata Banerjee to return Rs 500 crore looted by businessmen since its inception. In its third rally in east Midnapore district of the state today, Arvind Kejriwal showed a video clip on the TMC announcements on the state government's relief measures. "When Mamata came to the CM's residence last year in Bishnupur, she said we will give Rs 500 crore to you and the BJP will also take its cut. Why are we not getting the money? Will she return it? She should return it," Kejriwal said in a statement. He was referring to the role of TMC supremo Mamata Banerjee in handing over Rs 5,000 crore to the Bharatiya Janata Party in partnership with the Congress and Nationalist Congress Party during the 2004 Assembly polls. The AAP leader also demanded the CM's residence in Laxminarayanpur to be turned into a puja complex which could also give shelter to poor. "With more than 250 cases of riots and murder, the state government did nothing. This government doesn't trust the people. During their time, Amit Shah and other BJP leaders were talking of how Congress was the ruling party and how the TMC was politically backward.
