It was their fourth world tour and the first tour which was held in South Korea. It was also their first world tour to be held at a venue of 20,000 capacity. It was divided into three segments which were titled "Rookie World Tour 2017 in Asia" and "Shinee 2017 World Tour in Europe and North America". As the name implies, it is a tour for the group's "Rookie" generation, which are Siwon, Taemin, Chen and Key. The tour began on March 10 and ended on November 12, 2017. Background Before the tour began, it was reported that the group would be working on an album for the tour. The album titled as "Best Shinee" will be the group's first ever comeback album. It was expected that the album will be released by mid-2018. The promotions for the tour began on January 15, 2017. The first tour date was held on March 10, 2017 in Singapore. The tour was concluded with one final concert at the Seoul Olympic Stadium. Development and promotion On January 17, 2017, shortly after the group released their single album "Beautiful" and the music video was released, their first world tour was officially announced by their agency S.M. Entertainment. The first event which was scheduled in Asia was held in Singapore. On February 24, 2017, the group first aired the stage performances of the three cities which they visited in the tour. On March 10, 2017, the tour held its first event in Asia, at the Singapore Indoor Stadium. On March 18, it

the info you need to plan a
trip to the film. The Morning

Table is a table to highlight the fruits and vegetables that were first consumed in the world's greatest civilizations. Our 100 year old rubber floorboard balls are something that they are unable to get any place in the United States. After our trip to China, I came home with my yellow silk pants which I had bought for \$80.00 to be made into a jacket and vest as I could not fit in my normal stuff. I

get all the collectibles from the out of their borders. They have a wall in a secret basement chamber which is completely dedicated to all of the collectibles collected by the US State department. They have the largest stones, gems, coral, fossils, gems in the world; ten times larger than those owned by the Louvre Museum. I have like a thousand bullet points which I need to go back and

make into a book because it is very organized and well written. We are all hard working men like I am hoping to buy our own building so that we can all start our own businesses. It was a beautiful day on the farm today as there was a bunch of fertilizer that needed to be applied to the field. It is hard to get a bunch of fertilizer. Have you ever tried to go hiking and the trail ends before

you ever started?
Everything was fine in the
beginning but the trail
ended up being over 5
miles out of the way. They
have a monument to the
one who owned the land
that the land is on to
everyone. His name was
John Foster Dulles. If
