This property is divided into approximately 90 parcels, covering

approximately 57,000 acres (in total). The lotto parcels have been surveyed and documented by the Bureau of Land Management, and the R&R (recreation and recreation) parcels have been surveyed and documented by the Department of Interior. The village parcels have been surveyed and documented by GAN, the Bureau of Land Management or the North Slope Borough. We have received a survey of the village parcels, which were all surveyed in the presence of a representative from either the Borough or from GAN. However, more than 30% of the village parcels have been lost to native vegetation. As with all of the other parcels, the village parcels are being surveyed as part of the Federal Land Manager program. The village parcel map is available for \$150.
