But. what was, was. And now everything is different. Although in essence nothing has changed. . But I have a feeling that I have changed something in myself. . It's like I have a different view of the world. Other values. . I feel joy and happiness when I do something for others. The joy of helping, doing something useful. What can I do to help. . And I don't want anyone to suffer and feel bad. dd2bc28256
