## System Requirements For Adobe Creative Suite Design Standard:

Each map takes a bit of time and a surprising amount of preparation, including the complete rule set and graphics for all classes, perks, and perks plus. Sorry. For those of you who haven't been following our rulemaking process lately, we now have three rule sets: The default one is the Hardcore setting that has also been added to the Chaos Rising campaign. The Light rule set was made for Co-Op play. You can use Light rules for Hard or Classic and vice-versa. The Hardcore rule set was designed specifically for the Chaos
